When you reach the complex of baths you have to go around to the left following the road that goes to Morcles. Follow this road for 1500 meters. When you reach the 3rd hairpin, take straight towards the hamlet of Eslex by a very steep road and follow the signs «pedestrian paths» to the bridge of Collonges. After crossing the bridge head towards St Maurice along the road along the Rhône to the electric factory Lavey. From the factory, follow the forest path along the Rhône to Lavey-les-Bains and then continue to St Maurice to join the starting point.
