

Alternative route 1 (not very difficult)

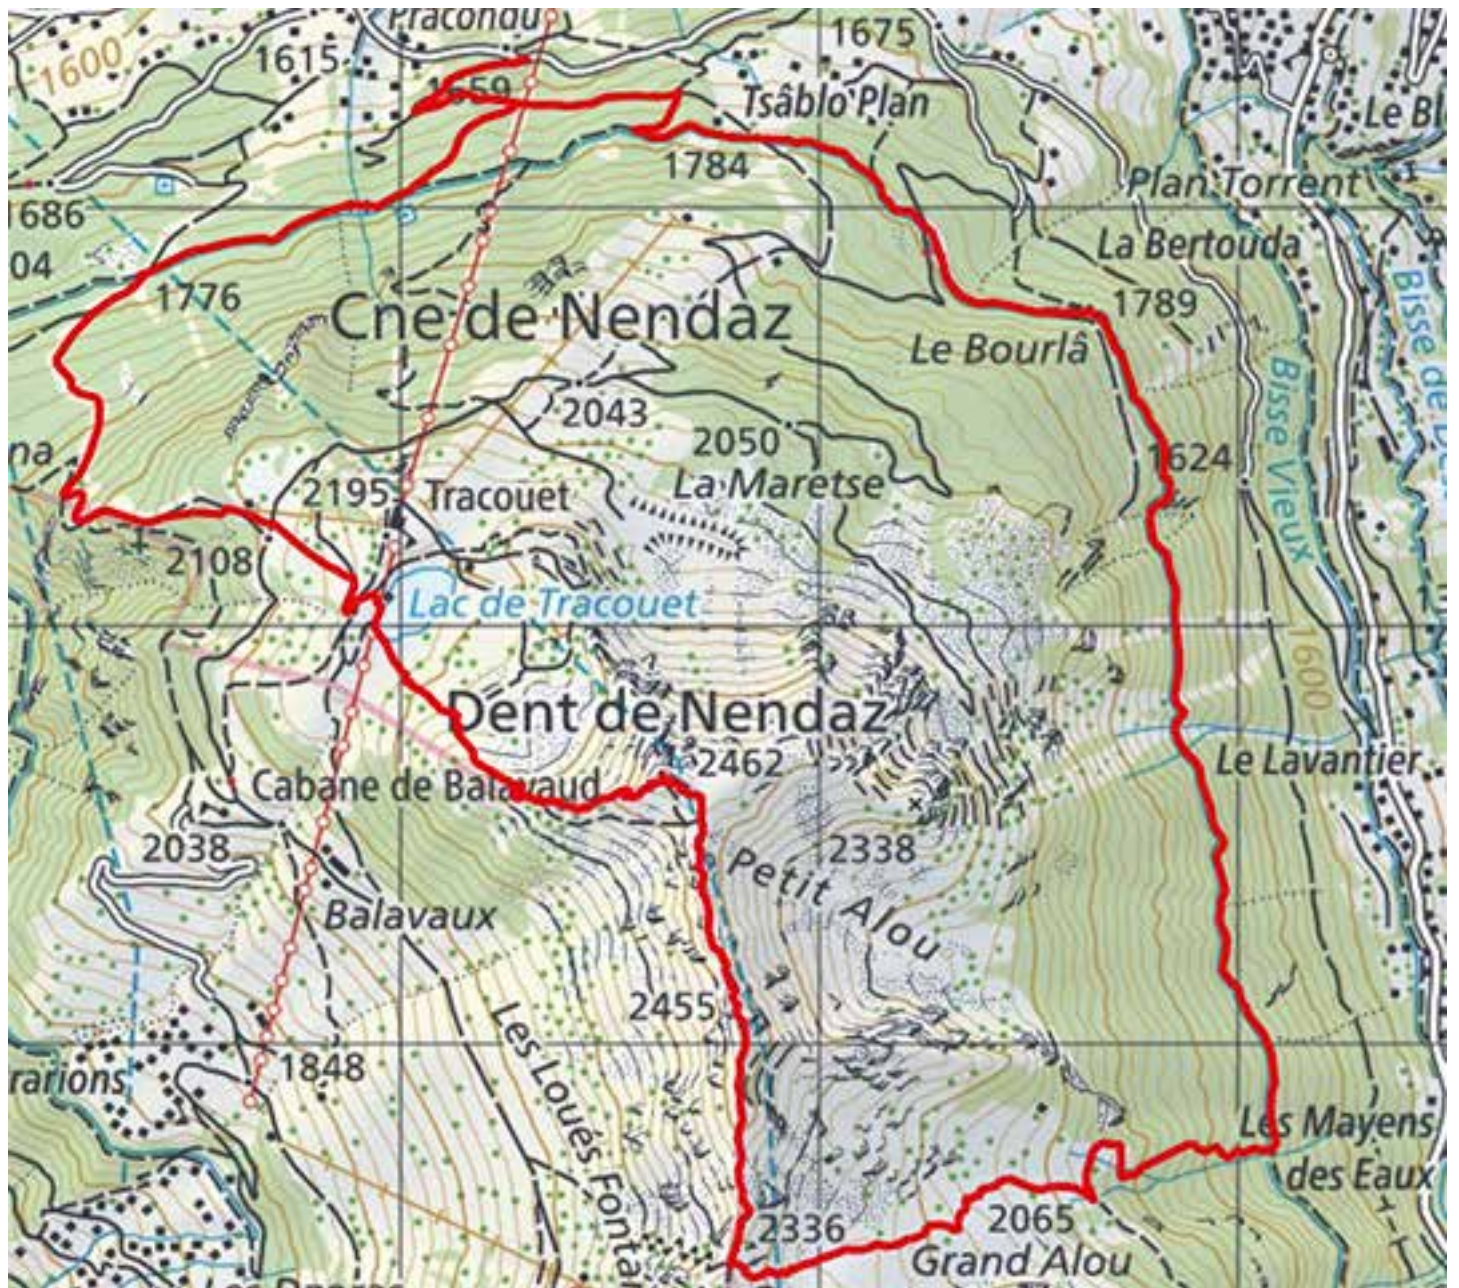

Since the arrival of the gondola Tracouet follow the path to the Dent de Nendaz through the right of Lake Tracouet. Once at the top of the Dent de Nendaz, follow the ridge in a southerly direction to Basso. After rowing 1 hour, the path descends towards Balavaux / Tracouet to reach your starting point.

Alternative route 2 (difficult)

Join Pracondu above the Haute-Nendaz station and then climb up to the Bisse de Saxon and follow it to the East first and then South to Mayens des Eaux (above Planchouet) . From there, climb towards the Basso (550 meters of unevenness on 1.7 km!). Once at the pass head north following the ridge towards the Dent de Nendaz. From the Dent de Nendaz, join Tracouet and descend on Pracondu by the Croix de Jean-Pierre. Once arrived on the Saxon bisse head east to the indication Pracondu, Haute-Nendaz to reach the starting point.
