

Tour du lac de Joux

Location: Vallée de Joux, Jura Vaudois

Description: easy hiking with no particular problem around the largest mountain lake in the Jura. Discovering forest landscapes, green pastures and freshness of the water.

Total length: about 22 km

Walking time: 5 to 6 hours

Positive and negative difference in altitude: approx. 300 meters

National hiking map 1: 50'000: 250 vallée de Joux

Best Period: March to October

Rating: T1

Start

We advise to begin the hike to Le Pont and to take the right bank by the l'Abbaye, Les Bioux. From Le Sentier, follow the left bank towards Le Pont.
