In front of the Les Frênes postal stop at Chemin-Dessus, take the road going west until the Chemin du Joueur junction. Continue south towards Vens, Col des Planches. After 1.5 km, do not descend on Vens but follow Col des Planches. Once at the pass, follow the Col du Tronc, Col du Lein via a forest road. For the descent, follow east towards Col du Tronc. Once at Col du Tronc (elevation point 1608). do not follow the signs for Col des Planches but follow the downhill road which branches off to the west for 250 meters, to take a path located downstream of this road and which crosses forests and pastures to reach the main road from Col des Planches. From the Col des Planches, head west, passing the houses in the direction of Les Planches and Chemin-Dessus to reach the starting point.
