#### **Itinerary**

From the Col de la Forclaz take the direction «les Prélaves». After the Pro du Si alpine chalet, continue uphill for 500 meters and at the end of the ascent follow flat south-east (do not take the direction of Les Prelaves) and then downhill to reach the bisse de Trient . Follow the bisse to the water intake. cross the river Trient and take the direction of Trient / Le Peuty. The descent follows a road and a path. At the end of the descent, follow the river on the left bank to the village of Trient. After the church, turn right to join the climb to the Col de la Forclaz. The start of the path is on the upstream side of the main pass road. The end of the climb reaches the Bisse du Trient, which you have to follow north-west to the starting point at the Col de la Forclaz.

#### **Practical information**

Very easy hike. There are many parking spaces at the start of the hike.
