Location: Châteaux d'Oex, Vaud Alps

Description: pretty loop hike around the Sarine

Total length: about 5 km

Walking time: 2 hours

Positive and negative elevation: +/- 140 meters

National excursion map 1:50,000: 262 Rochers de Naye

Best period: May to October

Length and height of the bridge: 45 and 10 meters

From Château d'Oex, join the Route des Monnaies and descend towards La Sarine. After crossing the Leyvra stream, the route crosses a few houses going up towards the south to join a path that descends towards the Sarine (indication Helsana trail). After crossing the Pont Turian, follow the river on the left bank for 1.3 km and turn right to follow an uphill forest road and join the Granges d'Oex road to be followed in a westerly direction to the point altitude 939 after the hamlet of Granges d'Oex. Reach the starting point by crossing the Turrian Bridge.

Practical information

Very easy route that can also be traveled with a stroller.

Oldest footbridge in French-speaking Switzerland
